## Full-Stack development intern

Computer Science and Mathematics undergraduate with strong UI/UX and front-end development experience, skilled in building user-centered web applications and translating designs into functional interfaces. Former Full-Stack Developer Intern seeking an internship opportunity. Former Full-Stack Developer Intern at a med-tech startup

## SKILLS

- **Programming Language:** C, C#, C++, CSS3, HTML5, Java, JavaScript, JavaScript, Next.js, Python, React, Tailwind CSS
- **UI/UX & Design:** Design-to-Code Implementation, Figma, Responsive Design
- **Tools & Technologies:** Agile Collaboration, Git/GitHub, Google Sheets, Microsoft Excel, RESTful APIs, SPSS
- **Core Strengths:** Analytical Thinking, Attention to Detail, Problem-Solving, Team Collaboration

## WORK EXPERIENCE

### MobDoc'r (Pre-Launch Med-Tech Startup) • Lagos, Nigeria

Sep 2025 - Dec 2025

#### Full-Stack Developer (Front-End Focus) • Internship

- Designed and developed Version 1 of the company's healthcare web application using React, Next.js, Tailwind CSS, and JavaScript, supporting both desktop and mobile users.
- Built and deployed a **responsive landing page** that improved early user engagement and clearly communicated product value to potential stakeholders.
- Collaborated with product and design teams to convert **Figma UI/UX designs into functional, pixel-accurate interfaces**, reducing design-to-development turnaround time by approximately **30%**.
- Implemented mobile-first layouts and optimized UI components, leading to an estimated **25% improvement in mobile usability** based on internal testing.
- Integrated front-end components with backend APIs, ensuring smooth data flow and consistent user experience.
- Participated in code reviews and version control using **Git and GitHub**, contributing to cleaner, more maintainable codebases.

## EDUCATION

### Bachelor of Science (B.Sc.) in Computer Science & Mathematics

Mountain Top University • Ogun, Nigeria

Sep 2023 - Dec 2027

## CERTIFICATIONS

### Mastering C# Learn Building Games, Application, Software

Aug 2025

Udemy

## PROJECTS

### FreshMart
